---

**Shard:** Atlantic  
**Date:** March 2013

**Monthly Tease:** With the Union no longer hampering his efforts, Sage Nicosaeen of the Fount of Oblivion continues to construct a large foreboding tower near the outer limits of Britain. What mysteries and secrets will the tower hold?

**Planned Event #1:** March 10th 2013 @10pm EST - A Miner's Plight

**Tease:** Sage Nicosaeen directs his disciples to the plight of a miner that has been assisting him with his construction efforts.

**Planned Event #2:** March 14th 2013 @10pm EST - From the Skies to Oblivion

**Tease:** The Capstone of the Tower of Oblivion is set into place, Sage Nicosaeen begins the first of many sermons.

**Disclaimer:** Dates may change, and more events may pop up later in the month depending on several factors.
