

Atlantic Event Summary for March 2013

Written by Bennu
Sunday, 03 March 2013 23:18 -

Shard: Atlantic
Date: March 2013

Monthly Tease: With the Union no longer hampering his efforts, Sage Nicsaen of the Fount of Oblivion continues to construct a large foreboding tower near the outer limits of Britain. What mysteries and secrets will the tower hold?

Planned Event #1: March 10th 2013 @10pm EST - A Miner's Plight

Tease: Sage Nicsaen directs his disciples to the plight of a miner that has been assisting him with his construction efforts.

Planned Event #2: March 14th 2013 @10pm EST - From the Skies to Oblivion

Tease: The Capstone of the Tower of Oblivion is set into place, Sage Nicsaen begins the first of many sermons.

Disclaimer: Dates may change, and more events may pop up later in the month depending on several factors.
